Nyanland-Meowtani Corporation — Internal Memorandum

To: All Associates **From:** Office of the Chairmeow **Date:** October 8, 2026
Re: Stapler Consolidation Initiative

An audit of desk surfaces found that staplers occupy space better used for sitting. Effective immediately, all staplers are the property of the Board. Associates may request a stapler in writing, in triplicate.

Floor	Staplers found	Staplers knocked off desk
2	41	39
3	57	57
4	12	pending

Pixel will deliver the completed Stapler Census to the Chairmeow’s office by November 3.

Thank you for your continued compliance.
