OFFICIAL DECREE No. 0042

Office of the Chairmeow · October 9, 2026

Subject: Mandatory Sunbeam Rotation

Recent disputes over the window ledge on Floor 2 have disrupted three naps and one quarterly review.

By decree of the Chairmeow, sunbeams shall rotate among executives hourly.

Associates are reminded that sunbeams are not a human entitlement.

Pixel will post the new Sunbeam Rotation Schedule on every floor by October 31.

Signed, Chairmeow Baroness Nyanland
